Sri Lankan passport holders to have a visa stamped on their travel document prior to arrival, for most countries.

There is no legal right to a visa, and we are **not** an accredited visa advice company..

We **cannot** and **do not** influence, expedite nor guarantee visas. We offer a logistics service for our regular and legitimate clients, and it is the client's responsibility to submit all documents requested by them, on time.

We **do not** provide "dummy itinerary letters" or "dummy hotel bookings".

We advise you to check with us on visa requirements prior to ticketing, as sometimes a long lead time is required to process the visa. For others, you can collect your stamped passport the same evening. **Please obtain your visas early**

The client remains responsible for the airtickets and hotel bookings made for the purpose of the visa. Please don't pay for your booking if you are not able to take the responsibility for this.
